### **Graduate retention program tuition rebate**

Use this section to calculate your Graduate retention program tuition rebate. Attach a copy of your "Tuition Rebate Eligibility Certificate" to your return.

**Eligible tuition fees** are tuition fees for which you were entitled to claim the federal tuition amount after 2004 and up to the date you graduated. The tuition fees have to be paid for your enrolment in the eligible program certified on the "Tuition Rebate Eligibility Certificate".

If you have tuition fees but could not claim the federal tuition amount, you may still be entitled to this rebate. Contact the Canada Revenue Agency for more information.
