**Instructions:**

This form is to be used:

- by a taxpayer who performed the SR&ED work (the "transferor");
- to transfer qualified SR&ED expenditures incurred (of the transferor) in a particular tax year, for SR&ED contract work performed for or on behalf of another taxpayer (the "transferee") at a time when the two parties were not dealing at arm's length.

The amount transferred can only be added to the transferee's qualified expenditures **in the first tax year** that ends at or after the end of the particular tax year of the transferor.

The transferor and the transferee each have to file a copy of the agreement at the Tax Centre where they would normally file their return of income.

An agreement should be filed for each transfer of qualified expenditures.

The agreement must be filed:

- on or before the transferor's filing-due date for the particular tax year the SR&ED work was performed, or
- in the period within which the transferor may serve a notice of objection to an assessment for the particular tax year, or
- in the period within which the transferee may serve a notice of objection to an assessment for its first tax year that ends at or after the end of the transferor's particular tax year.
