

EMPLOYEES' PENSION PLAN INCOME TAX RETURN

As a trustee of a trusteed pension plan or as a pension corporation that administers a pension plan, you have to complete this form every year. Complete all applicable schedules. Enter "Nil" in any area of a schedule that does not apply.

Custodial trustees whose only function is to hold individual annuity contracts and who are not the trustees of a pension plan should not complete this form.

When a trustee does not act as administrator of the pension plan, the trustee is still responsible for obtaining and reporting the required information on this form.

Attach a statement of the pension plan's assets and liabilities as at the end of the tax year and a reconciliation of the year-end balance in the plan with that of the immediately preceding year. If the conditions outlined in the instructions to Schedule 2 are met, we will accept a completed Schedule 2 instead of these financial statements.

Send the completed return, along with the required financial statements, to the Ottawa Technology Centre, 875 Heron Road, Ottawa ON K1A 1A2 no later than 90 days from the end of the tax year. Tax year refers to the calendar year for a trust and to the fiscal period for a pension corporation. If you do not file this return on time, we may impose penalties and charge interest on any amount owing.

If the plan is not registered under the Income Tax Act throughout its period of operation or existence during the tax year, the income may be subject to tax. To report taxable income or claim a Part XII.2 tax credit, complete a T3 Trust Income Tax and Information Return.
