- we have received or secured all income taxes (including the provincial or territorial taxes we administer), Canada Pension Plan contributions, Employment Insurance premiums, and any related interest and penalties.

Attach to this form the documents listed below to help us issue the certificate without delay:

- a copy of the will, including any codicils, renunciations, disclaimers, and all probate documents. If the taxpayer died intestate, also attach a copy of the document appointing an administrator (for example, the Letters of Administration or Letters of Verification issued by a probate court);
- a copy of the trust document for inter vivos trusts;

- a statement showing the list of assets and distribution plan, including a description of each asset, adjusted cost base, and the fair market value at the date of death and at the date of distribution, if not at the same time. Also include the names, addresses, and social insurance numbers or account numbers of the recipients as well as each one's relationship to the deceased. If a statement of properties has been prepared for a probate court, we will usually accept a copy, and a list of any properties that the deceased owned before death and that passed directly to beneficiaries;
- any other documents that are necessary to prove that you are the legal representative; and
- a letter of authorization that you have signed if you want us to communicate with any other person or firm, or you want the clearance certificate sent to any address other than your own.

Certification and undertaking

I am asking for a clearance certificate from the Minister of National Revenue. The certificate will certify that all taxes (including provincial or territorial taxes administered by the Canada Revenue Agency), Canada Pension Plan contributions, Employment Insurance premiums, and any related interest and penalties for which the deceased, corporation, or trust named on page 4 [above] is liable (or can reasonably be expected to become liable) have been paid or that the Minister has accepted security for the amounts. The certificate will apply to the tax year in which the distribution is made and any previous year for which I am liable (or can reasonably be expected to become liable) as the legal representative of the deceased, corporation, or trust identified. I will complete the distribution of all of the property as soon as possible after I receive the clearance certificate.
