

## Excise Tax on Fuel-Inefficient Vehicles

### 2009 - List of Vehicles and Associated Tax Rates

The following is a list of 2009 model year vehicles and associated fuel-inefficient vehicle tax rates. The list of vehicles was taken from the *Fuel Consumption Guide* for 2009 as published by Natural Resources Canada. This is provided for reference purposes only and is not intended to be a definitive all-inclusive listing of vehicles and associated tax rates. Please note, vehicles not appearing on this listing may still be subject to the fuel-inefficient tax. Further information on the excise tax on fuel-inefficient vehicles, including how to calculate the tax for vehicles not appearing on this listing, can be found in the Excise Taxes and Special Levies Notice ET/SL64 at [www.cra-arc.gc.ca/E/pub/et/etsl64/README.html](http://www.cra-arc.gc.ca/E/pub/et/etsl64/README.html).

**Note:** For the meaning of codes and symbols, refer to the legend at the end of the table.
